

Australian Timeshare Industry Foundation Golf Open

June 29, 2017
Palmer Colonial
57 Paradise Springs Avenue
Robina, Gold Coast

The Australian Timeshare Foundation is happy to announce that proceeds of the 2017 Golf Open will go to Rosies - Friends on the Street

ATHOC will adopt an outreach' street van that engages volunteers and students to directly support the patron friends on the street. Your support will make a difference by enabling Rosies to bring the gift of 'presence' to those most abandoned. Your generosity will keep a street van outreach operational for a year. Just \$5 enables a Rosies volunteer to have a cuppa and a chat. Rosies provides over 56,000 cuppa encounters a year across 240 outreach services every month in Queensland. They operate six vans in greater Brisbane providing 72 street outreach services, with two vans on the Gold Coast providing 24, each month.

The Australian Timeshare and Holiday Ownership Council (ATHOC) proudly presents the 2017 Australian Timeshare Industry Foundation Golf Open.

Join us on June 29th, 2017 at Palmer Colonial Golf Club on the Gold Coast for a fundraising and networking event with a difference.

A capped field of 144 players will tee off after brunch in an Ambrose tournament, followed by dinner and presentations at the Club. This will offer a unique opportunity to meet special guests and vie for amazing prizes.

Hosted by the ATHOC Foundation, the Australian Timeshare Industry Foundation Golf Open raises much needed funds to support ATHOC members, employees, guests, and their communities as well as worthy foundations. This year, it has been decided that part of the proceeds will go towards Rosies - Friends on the Street which will be used to provide an outreach street van where volunteers and students will support the patron friends on the street.

This is an incredible opportunity to make a positive difference in the lives of many.

ATHOC

ATHOC is a not-for-profit industry body that was established in 1994 to represent all interests of the Australian timeshare industry and to work toward national industry best practice.
